

HEAVY RAIN INC.  
HIGH HEELS

She stripped all night  
Dancing on a silver chair  
She was so hot  
And wrapped up in a nurse's wear  
Baby you got it  
And nobody can touch you there  
You turned to me  
Dressed in your golden hair

I'll say a  
Little prayer  
Maybe it will stop you  
I can not  
'Cause you're so hot  
Let's say I'm your fool  
When your hair  
Cuts the air  
Hey lady help me, too  
Oh nurse on heels  
So help me please  
And dance as hot as you do

She stripped all night  
Danced on high heels  
We stopped to breathe  
Needin' our heart pills  
But there's no cure  
To heal such feelings  
When you fall in love  
And the heart is bleeding

I'll say a  
Little prayer  
Maybe it will stop you  
I can not  
'Cause you're so hot  
Let's say I'm your fool  
When your hair  
Cuts the air  
Hey lady help me, too  
Oh nurse on heels  
So help me please  
And dance as hot as you do

I'll say a  
Little prayer  
Maybe it will stop you  
I can not  
'Cause you're so hot  
Let's say I'm your fool  
When your hair  
Cuts the air  
Hey lady help me, too  
Oh nurse on heels  
So help me please  
And dance as hot as you do
