

HEAVY RAIN INC.  
PRISON STONE

I'm chained in the mornin'  
I'm chained when the moon shines  
I'm chained all the day  
And I'm not more a child  
I'm fightnin' with the tears  
I'm fightnin' with the stone  
And only your lips  
Hold me here so strong

I'm trying to escape from the prison stone  
But the chains are so tight  
Well they will never let me go  
Oh my my my my my my  
Let me go  
Oh my my my my my my  
Let me go

Four walls in the morning  
Four walls when the moon shines  
Four walls all night long  
And I'm not more a child  
Liars behind walls  
I wanna be free  
I'm knockin' on doors  
So let me go

I'm trying to escape from the prison stone  
But the chains are so tight  
Well they will never let me go  
Oh my my my my my my  
Let me go  
Oh my my my my my my  
Let me go
