

HEAVY RAIN INC.
SHADY GIRL

Oh I've never-ever loved a girl like you
Oh I've never-ever loved a girl so strong
When I wake up I just think of you
But at night you do me wrong

Oh I know a shady girl
And she was dancin' all day in the sun
Oh I know a shady girl
She sent me kisses just to have some fun

I'd like to kiss your gentle cheeks
While my body strongly weaks
And I hope that you can find my bed
'Cause you're the best I've ever had

Oh I know a shady girl
And she was dancin' all day in the sun
Oh babe, babe
Oh I know a shady girl
She sent me kisses just to have some fun

I know, I know, I know, I know
She was, she was, dancin' in the sun
I know, I know, I know, I know
She was, she was, dancin' in the sun
